

## **Finalists announced in European IT and Software Excellence Awards 2018**

- **More than 100 Leading Solution Provider, ISVs and Suppliers from 29 countries amongst the finalists**

[London 14 March 2018] The finalists for the European IT & Software Excellence Awards 2018 ([www.iteawards.com](http://www.iteawards.com)) - the leading pan-European awards for channels, ISVs, Solution Providers, Systems Integrators and their vendor and distributor partners – were announced today by IT Europa.

A total of 43 solution providers, 36 ISVs and 57 suppliers from 29 countries have made the finals. The winners will be announced at the European IT & Software Excellence 2018 Awards Dinner at the Royal Garden Hotel, on 19 April 2018.

Now in their 10<sup>th</sup> year, the European IT & Software Excellence Awards 2018 attracted more than 400 entries from across the region. The awards are given for IT solutions that get to the heart of customer issues, delivering better business, a clearer understanding of data, and more efficient and profitable outcomes. The judges, with many decades of experience of IT industry involvement between them, have arrived at a list of finalists that they believe truly reflects both the strength of Europe's IT industry and many of the changes in direction occurring within it.

John Garratt, Editor of IT Europa, who heads the judges' panel says: "We are proud to have carried the flag for European IT for the last ten years. We continue to push out the core message about just what the IT industry is capable of doing in changing how people, businesses and organisations function. This year, to celebrate the 10th anniversary, we will use the wealth of good stories from these finalists to promote IT to a wider audience by highlighting the successes contained in these awards."

The award winners will be announced on 19th April 2018 at a gala dinner and presentation ceremony.

The European IT & Software Excellence Awards are the only pan-European awards which recognise the crucial role that Channel Partners, distributors, ISVs, Solution Providers and Systems Integrators play in the delivery of real world solutions. Entries were submitted by the channel, ISVs, Solution Providers and Integrators themselves describing the solution provided. Each entry had to be supported by an endorsement by the client.

To attend the awards ceremony on 19 April 2018 at the Royal Garden Hotel, please book your places at: <http://www.iteawards.com/content/table-booking>
